CHECK FOR \$1,000

Presented St. Joseph's Hospital by the President, Hon. Guilford Smith.

Representative Guilford Smith of South Windham, who is president of the board of incorporators and directors of St. Joseph's hospital, has presented that institution a handsome gift.

Representative Smith has been a generous benefactor of the hospital. But a few months ago he contributed freely when \$400 toward the purchase of the hospital. He has on other occasions come to the assistance of the hospital and when he was last a candidate for the house he presented the institution an ambulance that arrived and was driven out for the first time on the morning of election day.

Tuesday morning Representative Smith, as is his custom, quietly and unostentatiously changed to drop into the hospital and call for Mother Superior Tharsilla and after the affairs of the hospital had been carefully discussed left, handing her a check for \$1,000 with the words "With the best wishes for the future of the hospital." Representative Smith has a way of remembering charitable institutions, and it was but Monday that the building fund of the local Y. M. C. A. was swelled by the addition of a check for \$1,000 from him.

The mother superior and all those connected with the hospital appreciate Mr. Smith's kindness and that of his wife, who has been of such material assistance to the institution since it was first opened.

JOHN HICKEY'S WILL

Probated on Tuesday—Estate Goes to Family—\$500 to Hospital.

The will of the late John Hickey was filed and accepted for probate by the probate court Tuesday. It was drawn on Aug. 25 last by Attorney Thomas J. Kelley and is a lengthy document, containing in all some thirty-three clauses.

It is not known what the estate amounts to until the appraisers, James Hickey and J. Sullivan, have finished their work, but it is thought that the total will be considerable, probably one of the largest that has been in the local probate court in a long time.

The will gives all the property, personal and real, to the members of the family, excepting one which is a gift of \$500 to St. Joseph's hospital. Mr. Hickey left besides a wife eight children and one grandchild, who are all remembered in his will. To each of his children, Mary E. Hickey, Agnes G. Hickey, Rose L. Hickey, Mahd P. Hickey, Helen R. Hickey Savory, Frank P. Hickey, John J. Hickey and Eugene Hickey, he gives \$2,000, and to his wife \$2,000.

To his wife he gives the use, during her life, of the homestead at No. 154 Jackson street, and the life use of four other pieces of property, and at her death it is to be divided among his eight children.

The other clauses in the will divide among his eight children the balance of his real estate holdings, specifying in each clause just what property the children are to have.

To his granddaughter, Mary Rose Savory, he gives his undivided half in the property at No. 41 Clark street. There are in all twenty-seven pieces of property in the will, which he only a half interest, and after deducting the four pieces which he leaves a life use of to his wife and the half interest which he gives to his granddaughter, there remains twenty-two pieces of real estate which he gives to his eight children.

The residue of his estate after the bequests are made he gives equally to his eight children.

He will appoints his son, John J. Hickey, as executor.

Mr. Hickey was a member of the board of incorporators of St. Joseph's hospital.
